

# Major Triad Voicings

Root, 3, 5

Four guitar chord diagrams for the C major triad in the Root position (Root, 3, 5) are shown above a single staff of music. The diagrams are labeled 'C' and indicate fret positions: 0fr, 5fr, 3fr, and 8fr. The 0fr diagram has an open string on the 1st fret. The 5fr diagram has an open string on the 5th fret. The 3fr diagram has an open string on the 3rd fret. The 8fr diagram has an open string on the 8th fret. The musical staff shows the corresponding triad voicings on a treble clef staff.

3, 5, Root (1st Inversion)

Four guitar chord diagrams for the C major triad in the 1st inversion (3, 5, Root) are shown above a single staff of music. The diagrams are labeled 'C' and indicate fret positions: 0fr, 5fr, 10fr, and 8fr. The 0fr diagram has an open string on the 1st fret. The 5fr diagram has an open string on the 5th fret. The 10fr diagram has an open string on the 10th fret. The 8fr diagram has an open string on the 8th fret. The musical staff shows the corresponding triad voicings on a treble clef staff.

5, Root, 3 (2nd Inversion)

Four guitar chord diagrams for the C major triad in the 2nd inversion (5, Root, 3) are shown above a single staff of music. The diagrams are labeled 'C' and indicate fret positions: 0fr, 5fr, and 9fr. The 0fr diagram has an open string on the 1st fret. The 5fr diagram has an open string on the 5th fret. The 9fr diagram has an open string on the 9th fret. The musical staff shows the corresponding triad voicings on a treble clef staff.
